Currently, the university offers unique educational opportunities to a huge proportion of 1 million students in a diverse and dynamic range of programs starting from Matriculation to the PhD level. The University exclusively focuses on enhancing female literacy ratio in the country so that women can perform their vital role in the process of national progress and development. The university takes same special initiatives for the underprivileged and marginalized segments of the society not only for their economic empowerment but also for poverty alleviation in the country. The main objectives of the University as enunciated in the Act are as under: To provide educational facilities to people who cannot leave their homes and jobs in such manner as it may determine. To provide such facilities to the masses for their educational uplift as it may determine. To provide facilities for the training of teachers in such manner as it may determine. Currently, the university offers unique educational opportunities to a huge proportion of 1.4 million students in a diverse and dynamic range of programs starting from Matriculation to the PhD level. Prof. Dr. Nasir Mahmood Faculty of Education "Dean Message" The University exclusively focuses on enhancing female literacy ratio in the country so that women can perform their vital role in the process of national progress and development. The university takes same special initiatives](#)

for the underprivileged and marginalized segments of the society not only for their economic empowerment but also for poverty alleviation in the country. Prof. Dr Shah Mohyuddin Hashmi Faculty of Arabic And Islamic Studies "Dean Message" Islamic Studies is very important and base of Education in Islamic Republic of Pakistan and no University can be completed without it. This is why from the start of AIOU, The Institute of Arabic & Islamic Studies was established in 1974. This Institute prepared and offered many courses of Islamic Studies and Arabic Language from Secondary School to Graduation level. Prof. Dr. Irshad Ahmed Arshad Faculty of Sciences "Dean Message" The Faculty of Sciences at AIOU was first established in 1982 with only five departments and limited number of undergraduate and basic functional courses. Over last three to four years five new departments and a range of higher degree programs are added to the portfolio of Faculty of Sciences. Most of the departments, in the Faculty, are now engaged in the development / offering of highly technical, scientific and professional. Prof. Dr. Syed Hassan Raza Faculty of Social Sciences And Humanities "Dean Message" First established in 1981 with five departments, the Faculty of Social Sciences and Humanities has over the Years, flourished to become by far the largest Faculty of the University. It, today consists of fifteen departments offering programmes at different levels in various areas like Business Administration, Economics, Mass Communication, Sociology, Women Studies, Urdu, Library & Information Sciences, History, Pakistan Studies.
